All distinctive signs, trademarks, brand names, contents (texts, graphics, images, photographs, programmes, links and other audio-visual or sound contents and source codes...), structure, design and way of presenting the elements and any other information displayed on this website belong to the Town Council of Lalín and are protected by industrial and intellectual property rights. The user may not host, store, publicly communicate, publish, distribute, share or in general exploit in any way the elements referred to in the previous section without the express authorisation of the Town Council of Lalín.

Printing and downloading excerpts of this website's contents are solely authorised when carried out for private and personal use. On this official website users may find various links leading to external independent websites whose role is to facilitate access to other sources of information on the Internet relating to our municipal organisation and as regards intellectual property rights that may correspond to their authors, if any.

However, the Town Council of Lalín accepts no liability arising from the links or the contents of those links. Furthermore, the establishment of links to the website of the Town Council of Lalín, upon request and authorisation thereof, must respect intellectual property rights belonging to the municipality.

Users shall refrain from using any means that may remove, alter, elude or manipulate any protection devices or security systems that may be installed, and which may entail a risk, damage or deactivation of the website and/or its contents. The Town Council of Lalín shall not be responsible for the possible misuse of this website by third parties, nor for the content and update of information from other natural or legal persons that is included on the website or referenced through links or any other means.

All contents provided through this website are for information only, so any use that users may make thereof or any consequences or damages that may arise shall be the sole responsibility of the user. The Town Council of Lalín accepts no responsibility for damages of any nature that may arise from the use of links, directories and search tools that allow users to access websites owned and/or operated by third parties, or from the presence of viruses or other malicious codes in the contents that may cause any kind of damage to the users' computer system, electronic documents or files.

The Town Council of Lalín reserves the right to exercise whatever legal action it deems appropriate arising from any illegal use of the contents of its website (primary domain and subdomains) by third parties.

Cookie Policy

A cookie is a file containing information that this website's server sends to the computer/smartphone/tablet of whoever accesses it to store and retrieve information about the browsing carried out by said device. lalin.gal uses different types of cookies (technical, analytical and social) for the sole purpose of improving the users' browsing experience on the website, without any form of advertising purpose or the like.

lalin.gal and the indicated subdomains only use:

- Analytical cookies: for statistical analysis of users.
- Collected information: browsing data, number of times the user has visited the website, origin of the user, browser, operating system, device and visited web pages.

How to uninstall cookies:
